

**North Star School**

**No Smoking Statement**

November 2021

Review date: November 2022

North Star School is committed to the active promotion and ultimate achievement of a smoke free working environment, and for all its members to promote a positive wellbeing and healthy living for all.

Directors will:

- Demonstrate the school's commitment to promoting the health of all pupils and staff
- Provide information and advice for those who wish to stop smoking
- Provide a copy of this non-smoking statement to members of teaching staff, non-teaching staff, volunteers and visitors
- Provide a copy of this non-smoking statement to parents/carers and pupils

All staff, non-teaching staff, as well as visitors and pupils may not smoke during delivery hours. If an individual does smoke, this must be done during break and lunch times and away from their computer and off camera.

The prohibition of smoking will also apply during school activities and meetings off-site where applicable.
